

BATAILLE DE BARBAPAPA

Toutes les cartes sont distribuées aux joueurs, faces cachées.

Les joueurs retournent en même temps la première carte de leur paquet.

Celui qui a le personnage le plus grand remporte les cartes retournées !

Si deux personnages sont de taille identique, il y a "bataille", les joueurs retournent alors une deuxième, voire une troisième carte...

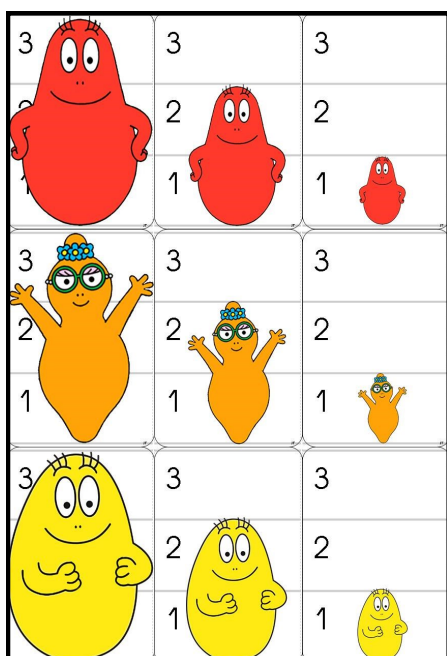

On trouvera à la lettre C comme Cartes du site plus de 150 motifs différents à imprimer au dos des jeux de cartes pour faciliter le tri et le rangement.
