

LA FAMILLE

en Corse du sud (suttanacciu)

Merci à Christel S. pour la traduction

But du jeu :

Le gagnant est le joueur qui a posé devant lui le plus de familles complètes.
Une famille est complète quand tous les membres de la famille d'une même couleur sont réunis.

Déroulement du jeu:

Toutes les cartes sont distribuées aux joueurs.

Le joueur 1 demande au joueur 2 de son choix une carte qui lui manque pour compléter une famille.

Si le joueur 2 a la carte demandée par le joueur 1, il la donne au joueur 1 qui rejoue.
Si le joueur 2 n'a pas la carte demandée, le joueur 1 passe son tour, et c'est le joueur qui est à la gauche du joueur 1 qui joue.

Chaque joueur joue à tour de rôle, dans le sens des aiguilles d'une montre.

Selon l'âge des enfants, on peut simplifier le jeu en enlevant certaines cartes (personnages ou couleurs).

On peut aussi, pour aider les enfants, leur proposer un panneau récapitulatif des différentes couleurs et des différents personnages.
