

LETTRES À TRANSFORMER

Pour décorer la classe, reconnaître son porte-manteau, personnaliser la page de garde d'un cahier...

Imprimer ou photocopier les pages suivantes sur du bristol, de manière à ce que chaque enfant possède l'initiale de son prénom.

Découper la photo de la tête de l'enfant, la coller, en l'aidant au besoin, au sommet de la lettre.

Dessiner les bras et les jambes, décorer...

Deux sortes de lettres au choix :

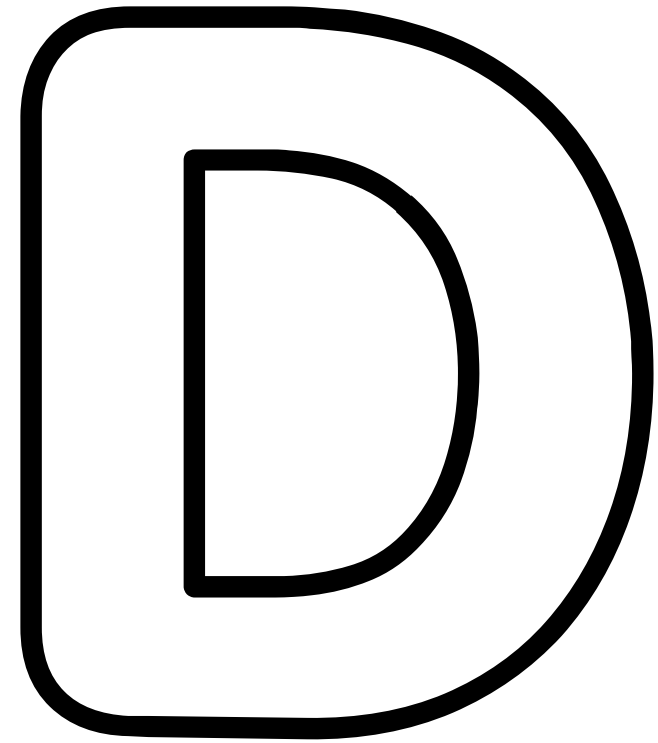

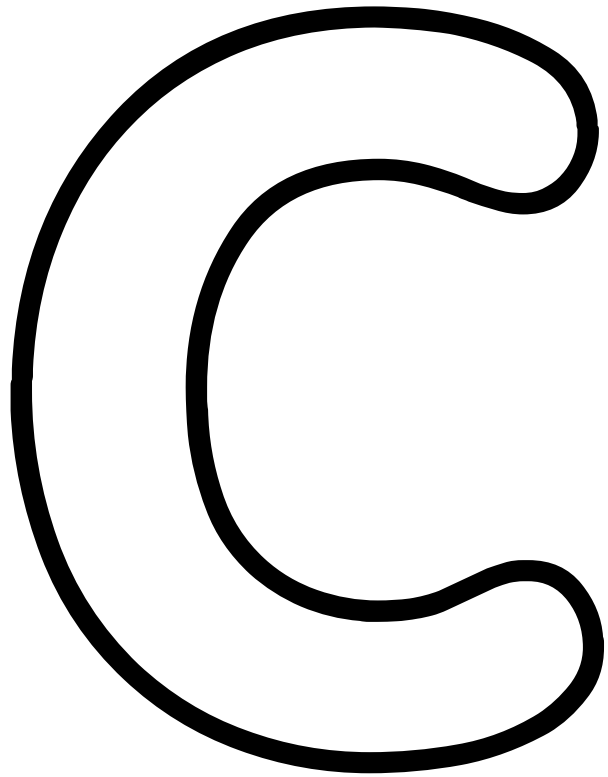

- Lettres pleines : **A**
- Lettres contours : **A**

Variante : faire découper chaque lettre, préalablement photocopier sur du papier de couleur avant de la coller sur une feuille d'une autre couleur.
