

PHRYGE

3D

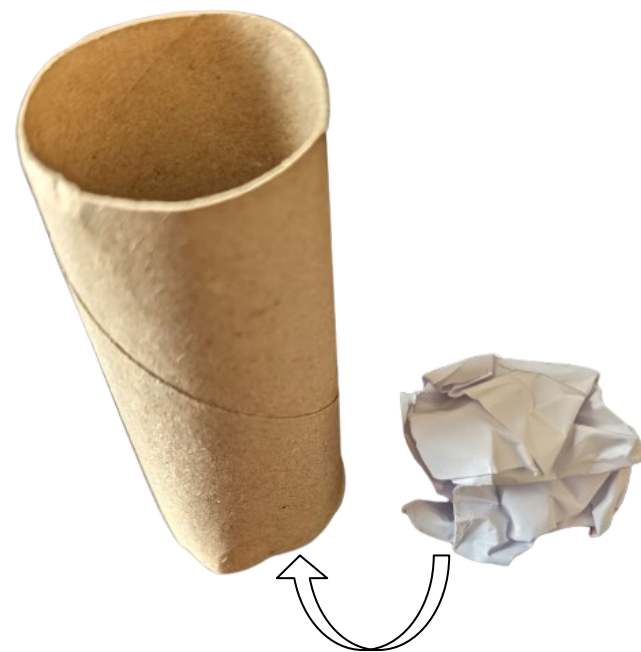

- imprimer ou photocopier sur du bristol.
- découper la Phryge sur les traits rouges.
- découper et former la "hotte" et la coller au dos de la mascotte.
- ajouter les accessoires que l'on veut : bonnet de Père-Noël (agrémenté ou non de coton,) une barbe..., ou chapeau, nœud papillon et nez rouge de clown, etc... A noter que la plupart proviennent de [Crayaction.be](https://www.crayaction.be).
- dans la hotte, on peut disposer des petits chocolats pour Noël, des petits œufs pour Pâques, un petit mot doux, un dessin, une petite surprise...

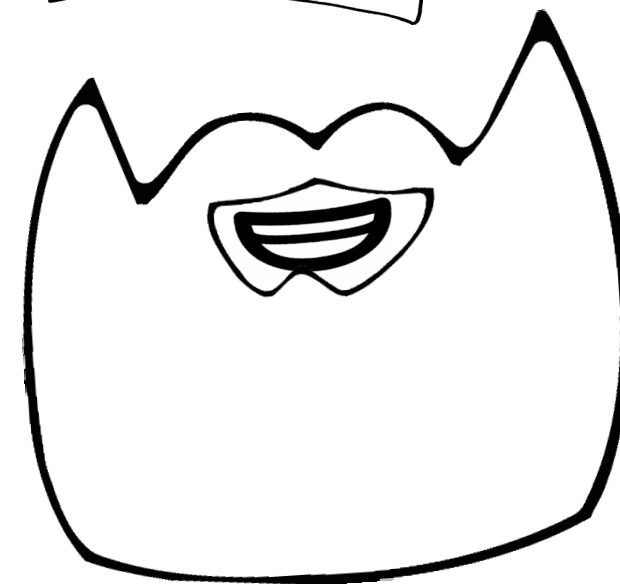

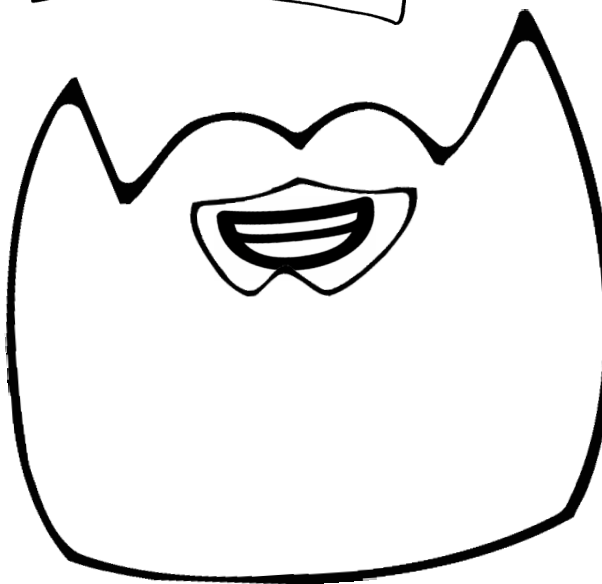

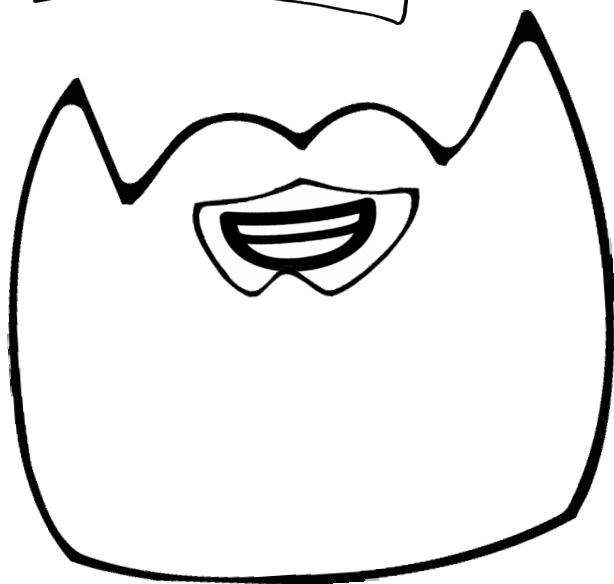

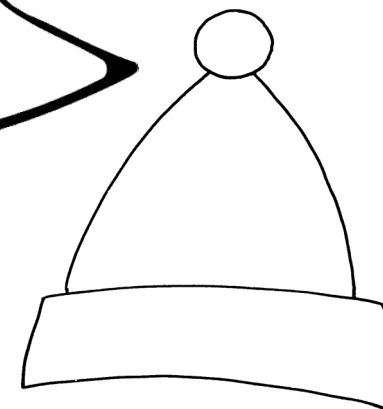

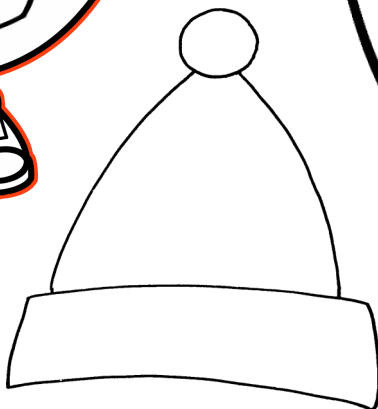

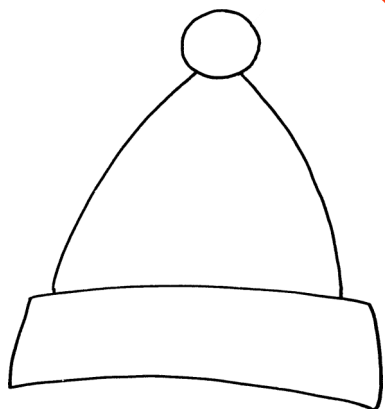

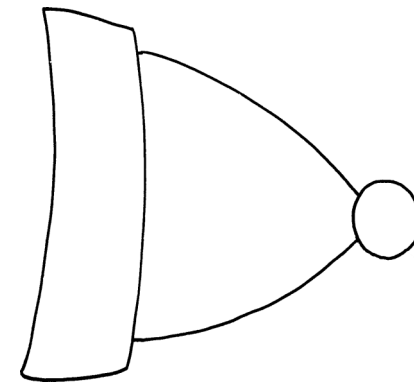

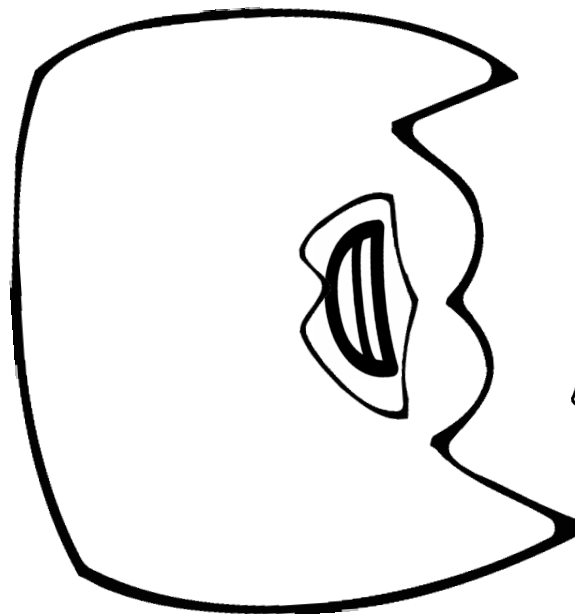

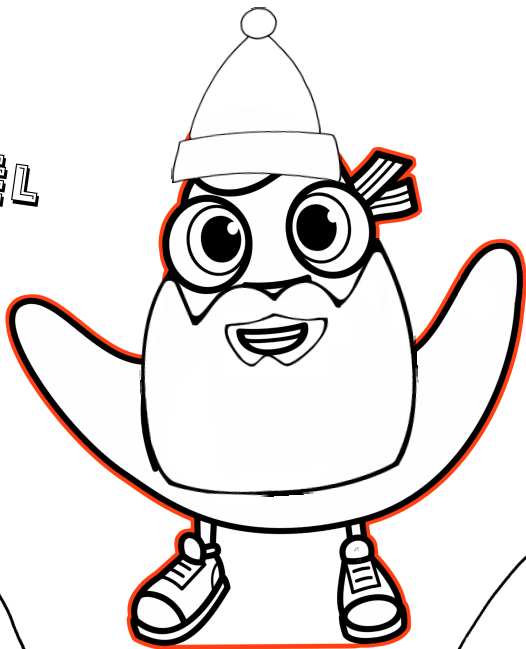

"Hotte" : découper sur les traits, plier sur les pointillés
Décorer et coller au dos de la mascotte.

On peut aussi utiliser un rouleau de papier toilette, on collera dans le fond de celui-ci, un bouchon de papier chiffonné.
