

Bataille de Rois et de Reines

Toutes les cartes sont distribuées aux joueurs, faces cachées.

Les joueurs retournent en même temps la première carte de leur paquet. Celui qui a le roi (ou la reine) le plus grand remporte les cartes retournées !

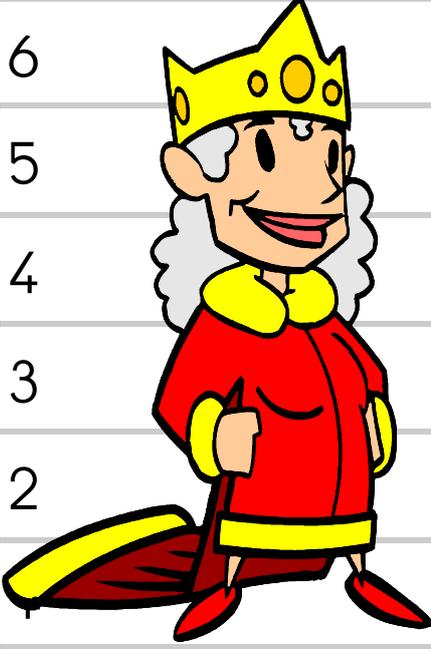

Si deux personnages sont de taille identique, il y a « bataille de rois (reines) », les joueurs retournent alors une deuxième, voire une troisième carte...

Trois cartes spéciales : sorcier, dragon, fou, peuvent pimenter le jeu (exemple, si un joueur retourne le sorcier : tout le monde rejoue, le dragon peut être plus fort que n'importe quelle carte, si le fou est retourné c'est le plus petit personnage qui gagne...)
